

## You will need:

A square piece of paper (decorated or plain)

Scissors

Double-sided tape or glue

A coin

A button

A skewer

1. You will need a square piece of paper.

2. Place a coin in the centre of the paper.

3. Using a pencil draw around the coin.

4. Cut a line from the corner of your paper to the coin line.

5. Do the same for all 4 corners.

6. Place or double-sided sticky tape or glue in centre of the coin outline.

7. Take the right side of each corner of the triangle and bend into centre (without folding) and stick down.

8. Place a piece of double-sided tape or some glue in the centre

9. Stick a button in the centre.

10. Stick your skewer to the back of the windmill using blue tack or glue.

To make your windmill spin.....Instead of sticking your windmill to the stick, use a drawing pin to attach (from the front and centre of the windmill) to a garden cane or something similar.
